Darling

It has been quite
lonely here since you left.
Yesterday was a miserable
-day with great humidity and
I felt 'kind o' funk'. Last
night Frank Welch, who had
been dining with Charlie and
Don Hasmuth came for me
-and took me down to Charlie's
where we had a conference till
5.2

midnight. I then came home
and slept well till 8 AM.

To-day Mr Gore, Mr Storie,
Mac & I drove down to our
experimental plant - and I saw
for the first time the operation
of our invention. We then went
to the Patent office and signed
the papers which were ready for
us. I expect the patent will
hold and it looks like a
good thing really. We all then
went to Simpson's for lunch
after which I came home and
went to sleep in the sunroom.

The tickets for the University Convocation came to-day as well as one for you to the Yacht Club.

Enclosed is a card from Mr. Torrington and one from Mrs. Currie. I opened one to Miss Thrall of a personal nature - following your instruction and thinking it was a school letter. I am sending it in a separate envelope.

Ann, Roscoe & Bea were up here last Thursday night.

to see us but could discover
no signs of life, though the horse
was going merrily. Where were we
I wonder! They three went on to
picnic to-day in celebration of
their wedding day.

Remember me kindly to Mrs
Calton and tell her I am sorry
~~that I could not come.~~ I hope
you are having a good time
and enjoying yourself greatly. Yester-
day noon a woman of about 50
came to the door asking if we wanted
a maid at \$20 a month. I think
she was OK but of course would
not take a chance without references.
To-day the Chinaman left the collars at
the door with 'You want boy cook'
written on the package. So you see.

Kindest regards to Mrs. Calton is not impossible.

August 22nd

Darling Mother -

I haven't
written you much
this week as I haven't
had a chance to send
your letters we are
fourteen miles from the
station - Mr. Parker
had to go down to

for onto but will be back
tomorrow - It has been
quite windy & rainy so
we haven't been on the
water much but there
is always lots & lots to do.

I never did feel so
well before. I am getting
quite fat. & Bob is simply
glorious - Its tremendous
the way we eat. 76

I felt simply terribly about
Chester poor little boy it does
seem so useless that he was
such a nice kid too. Do
you remember how he & I
played with the black
pony & Willard too.

I am glad Dad is much
better now if you can get
a nice chicken you will be
delightful - Have you seen Mrs
Porter - she was lovely this
as she always is -

We go back to Englehart next
week so write there -

Very much love & kisses
Sweetheart Mummy -
